

ARTSUITE UI/UX DESIGN

My final year project, based on a major issue of the Covid period, was that artists could not exhibit in the gallery and art lovers can't experienced and I came up with the idea of an online platform to solve this problem.

Hi, I'm **Vijin Govind C K**, a dreamer, thinker and tinkerer and my career choice has helped me to combine my innate creativity with the technical skills from my engineering background. As a designer, I can showcase my thoughts visually through a variety of media including illustrations and films.

DAILEE FOOD BRANDING

Dailee Food is a Kerala-based snack manufacturing company and I had the opportunity to do branding for the company, as part of my design project, I was able to design snack packages at various level.
