

Crisper

Cooking Made Fun and Easy.

Crisper acts as an interface for your kitchen providing you recipes based on the available ingredients in your home and guides you to make a delicious meal in exactly at the right proportions.

#designedbybalaji

Balaji R

<https://bybalaji.com>

I help to create experiences people love. I value clarity, empathy, and integrity above all else. These ideals guide my approach to problem solving and life in general.

Transito

Daily Commuting Redefined.

An intelligent platform which makes the daily commuting using public transportation a hassle-free, convenient, and enjoyable experience.
