

Super-Fa Seat

Seat specially designed for long route public transport like KSRTC Super- Fast bus to ensure safe, secure and ergonomically comfortness.

Krishna Kumar B

Integrated Lifestyle Product Design

As a designer, I believe design is not only about solving a problem but also enhancing our life to be simple and perfect. The keen observation and inspiration from around us is the best tool to reach a good design.

Madee

Madee is a leisure chair blending Kerala traditional with minimalist. The product is a combination of wood and metal.
