

Hally- her ally

Hally is a mobile app to empower women and make them aware of the safety and security measures in all situations.

Be notified of registered complaints.
Be at a reachable distance of a call.
Be in the radar of your loved ones.
Make a note of life.

Hi!! I'm Vishnuprasad Muraleedharan

I am Vishnuprasad, a designer enthusiastic in photography as well. My perspective on design focuses on the learning of user experience, innovating solutions to problems faced by people and generating ideas giving a balanced prominence to concepts and visuals.
