UI REDESIGN

PROJECT
DECATHLON APP

Decathlon App - UI Redesign

Project is an attempt to redesign UI/UX of current Decathlon Application adding new features for better accessibility and improved Visual identity.

M. Raj Pradeep, Chennai

Aspiring and hardworking product designer with a flair for sketching and innovation. I have a vision to make aesthetic and durable designs capturing the colours and intricacies of nature and reflecting them in my work. Willing to learn and build to rise up the ladder.

Rocoza - Rocking chair

Rocoza is mid century inspired Rocking Chair upholstered with fabric for a relaxing and comfortable seating in every ambience.
